p/ - Preliminary

1/ - Breakdown may not add up to totals due to rounding off.

2/ - Total amount of remittances of overseas Filipinos (OFs) from countries not elsewhere classified.

Note: Data are not truly reflective of the actual source of remittance of OFs due to the common practice of remittance centers in various cities abroad to course remittances through correspondent banks mostly located in the United States. Since banks attribute the remittance to the most immediate source, U.S., therefore appears to be the main source of OFs remittances.
