Announcement on Implementation of Point System for Recruitment of Foreign Workers

Ministry of Employment and Labor in Korea (MOEL) and Department of Labor and Employment announce implementation of point system for recruitment of foreign workers, scheduled to launch this year.

Point system takes different road with EPS-TOPIK based recruiting to comprehensively examine a person with their skills, physical condition, experiences including but not limited to their ability for Korean. Specifically, on the physical conditions, Applicants with color blindness, color weakness are not permitted to pass the point system based test. Also, applicants with any physical handicaps such as the slipped disc, finger amputation cannot pass the point system.

In the Recruitment Point System, candidates will be selected in order of highest score. To pass the first round, a candidate has to get at least the designated points (44points). After that, at most 200% of the expected number of final passers of the point system will be selected in order of highest score by industries to take the second round.

Passers at the first round of test will get a chance to take the second round of test which consists of Skills test and Competency test. In the second round the scores of these two tests will be added up. Considering the accumulated point, the candidates within the expected number of selections will be selected to pass the point system in the order of the highest scores.

In the second round of the test, the candidates who have work experiences in the chosen industry, national certificates corresponding to the chosen industry, and training course completions and College(University) graduation certificates related to the chosen industry must submit documentary evidence for the Competency test. Also all passers of first round must take Skills test. The candidates who do not take Skills test will not pass the point system.

Candidates must check their physical states in terms of the color weakness and the color blindness to apply the first round of the test, EPS-TOPIK.

Furthermore, the candidates found to have color blindness or color weakness in Skills test, will not pass the point system. If a candidates is judged to be unable to work in the applied industry, the candidate also could be excluded.

What is Recruitment Point system of foreign workers?

1 Objectives

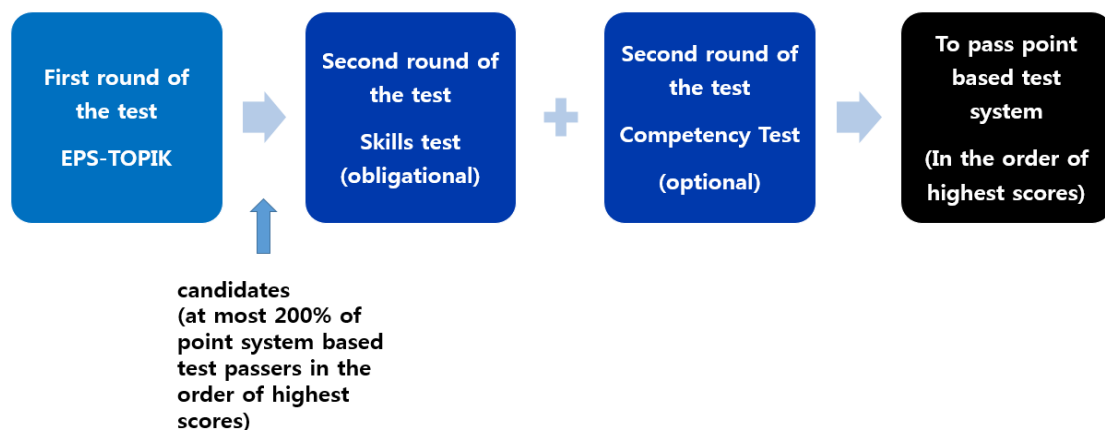

○ Current system allows only passers of EPS-TOPIK constitute valid roster, which has not contained various elements of the person, for example their capability of task completion, physical condition and experiences that Korean employers want are dismissed

- **Current system limits the potential candidates whose Korean ability is low but their competency for the job has been known great.**

○ To overcome this limit, HRD Korea designed the new system for evaluating employees comprehensively by not only Korean ability but also by their physical ability, level of competence and job experiences.

- The system will support employers to hire the right person, providing them information of various aspects of the job seeker to be hired including their EPS TOPIK results, Skills test, Training course completions, college(university) graduation certificates, national certificates, and job experiences.

- The system will broaden its range for the recruitment by giving chances to the people who has low ability for Korean but with plenty of job experiences and dedication for the job.

2 What Constitutes Recruitment Point System for Foreign Workers?

- **Recruitment procedure:** ① 1st round of test(EPS-TOPIK) → ② 2nd round of test (Skills test + Competency test) → ③ Adding up score
- **The way to decide final passer :** Passers will be decided by added up score (highest first)
